MONEYPLU\$

MONEYPLU\$ Eligibility

Your Medical Spending Account may be used to reimburse eligible expenses incurred by you, your spouse, your qualifying child or your qualifying relative. You may use your Dependent Care Spending Account to receive reimbursement for eligible dependent care expenses for qualifying individuals. **Please see the Flexible Spending Account FAQs at www.myFBMC.com.**

Note: There is no age requirement for a qualifying child if he is physically and/or mentally incapable of self-care. An eligible child of divorced parents is treated as a dependent of both, so either or both parents can establish a Medical Spending Account. Only the custodial parent can be reimbursed using the Dependent Care Spending Account if the parents are divorced or legally separated.

Who is eligible?

You must be a full-time, permanent employee and must be **eligible for state health insurance benefits** to participate in MONEYPLU\$. However, you are not required to be enrolled in an insurance program to participate in MONEYPLU\$. Retirees are not eligible to participate in MONEYPLU\$.

Health Savings Account Eligibility

To participate in a **Health Savings Account**, you:

- must be covered by a high-deductible health plan, such as the State Health Plan Savings Plan.
- cannot be covered by any other type of health plan, including Medicare (you may be covered for specific injuries, accidents, disability, dental care, vision care and long-term care) and
- cannot be claimed as a dependent on another person's tax return.

Refer to the MONEYPLU\$ Health Savings Account section. See Page 10 for more information.

Medical Spending Account Eligibility

To participate in a **Medical Spending Account**, you must have completed one year of continuous service by January 1 following an enrollment period. You must enroll each year during the October enrollment period for your account to become effective. If you elect to participate in the Health Savings Account, you will only be allowed to enroll in a MONEYPLU\$ limited-use Medical Spending Account for eligible vision and dental expenses. See Page 15 for more information. For mid-year eligibility changes, see Page 20.

You must be eligible for state group insurance benefits to participate in MONEYPLU\$. However, you are not required to be enrolled in an insurance program to participate in MONEYPLU\$.

Dependent Care Spending Account Eligibility

You can enroll in a **Dependent Care Spending Account** within 31 days of the date you are hired. If you do not enroll at that time, you can only enroll during the October enrollment period for an account that becomes effective the following January 1. You must enroll each year during the enrollment period to continue your account the following plan year. A Dependent Care Spending Account is available to you if you also participate in the Health Savings Account.

You can also enroll in, or make changes to, your Spending Account(s) within 31 days of a change in family status. Changes during the year must be necessary and appropriate. All changes must be approved. (See the Changing Your Coverage section beginning on Page 20 for rules governing valid changes in status.)

Pre-Tax Group Insurance Premium Feature Eligibility

If you pay a health, dental, vision or Optional Life premium, you are automatically enrolled on your Notice of Election (NOE) form in the **Pre-Tax Group Insurance Premium Feature**, unless you decline. If you decline to participate in the **Pre-Tax Group Insurance Premium Feature**, you can still enroll in it during the October enrollment period, or within 31 days of a change in family status as defined on Page 20. If you enroll during the enrollment period, your benefit will become effective January 1 of the next plan year. See Page 12 for more information.

How does termination or leave affect my Spending Account?

If you terminate employment or go on unpaid leave, your eligibility for either or both MONEYPLU\$ accounts will change. While your Dependent Care Spending Account cannot be continued following termination or the start of unpaid leave, you will be able to change or continue your Medical Spending Account election upon completion of the appropriate forms and requirements. To make this change or to continue coverage, contact FBMC Customer Care at 1-800-342-8017.

Specific guidelines about your employer's termination and leave policies can be obtained from your employer. In addition, the Family and Medical Leave Act (FMLA) may affect your rights to continue coverage while on leave. Please contact your employer for further information.

MONEYPLU\$

What is MONEYPLU\$?

MONEYPLU\$, administered by Fringe Benefits Management Company (FBMC), is a tax-favored account(s) program made available through Internal Revenue Service (IRS) Code Sections 105, 125, 129 and 223 to stretch your medical and dependent care dollars. With MONEYPLU\$, you elect to contribute an annual amount from your salary to be deducted from your paycheck before taxes to pay for your eligible medical and dependent care expenses. As you incur eligible expenses during the plan year, you request reimbursement and get your money back fast!

Is a Spending Account right for me?

If you can estimate eligible expenses during your plan year, you may save money by paying for them with a Spending Account. A portion of your salary is deposited into your Spending Account each pay period.

- You decide the amount you want deposited.
- You are reimbursed for eligible expenses with tax-free dollars.
- You save income and Social Security taxes each time you receive wages.
- Determine your potential savings with a Tax Savings Analysis at www.myFBMC.com.

How much money will I save?

This example shows how paying for benefits with pre-tax dollars saves you money and increases your spendable income.

	Without MONEYPLU\$	With MONEYPLU\$
Gross Monthly Pay	\$2,500.00	\$2,500.00
State Retirement	-150.00	-150.00
Pretax Payroll Deduction*	-0.00	-613.00
Administrative Fee	-0.00	-7.28
Taxable Gross Income	\$2,350.00	\$1,729.72
Payroll Taxes	-696.78	-513.50
After-tax Expenses*	-613.00	-0.00
Spendable Income	\$1,040.22	\$1,216.22

Increase in spendable income: \$176.00

* For the purpose of this example only, monthly pre-tax payroll deductions and after-tax expenses are defined as the following:

Health Premium	\$159
Dental Premium	\$ 21
Dependent Care Expenses	\$400
Out-of-Pocket Medical Expenses	\$ 33
Total	\$613

Spendable income is considered the amount of your paycheck, plus the reimbursement from your MONEYPLU\$ Medical and/or Dependent Care Spending Accounts.

(Payroll taxes include 15% Federal, 7% State and 7.65% Social Security)

What types of Spending Accounts are available?

Your employer offers you a MONEYPLU\$ Medical Spending Account as well as a Dependent Care Spending Account. If you incur both types of expenses during a plan year, you can establish both types of Spending Accounts.

MONEYPLU\$

Annual Contribution Limits

- If you are married and filing separately, your maximum annual deposit is \$2,500.
- If you are single and head of household, your maximum annual deposit is \$5,000.
- If you are married and filing jointly, your maximum annual deposit is \$5,000.
- If either you or your spouse earn less than \$5,000 a year, your maximum annual deposit is equal to the lower of the two incomes.
- If your spouse is a full-time student or incapable of self-care, your maximum annual deposit is \$3,000 a year for one dependent and \$5,000 a year for two or more dependents.

Direct Deposit

Enroll in Direct Deposit to speed up your reimbursement.

- There is no fee for this service.
- You don't have to wait for postal service delivery of your reimbursement. You will receive notification that the claim has been processed.

To apply, complete the enrollment form available in your confirmation pack, from your benefits administrator or on www.myFBMC.com. You may also call FBMC Customer Care at 1-800-342-8017. If you are currently enrolled in Direct Deposit, you do not need to re-enroll. Please note that processing your Direct Deposit enrollment may take between four to six weeks.

How MONEYPLU\$ Spending Accounts Work

- Estimate carefully the annual amount you will spend for dependent care and eligible medical expenses.
- The annual amounts you elect to have deducted pre-tax from your paycheck will be divided into equal installments, deducted from your paycheck, then credited to your MONEYPLU\$ accounts.
- After you incur expenses during the plan year, submit documentation and/or a copy of the Explanation of Benefits (EOB), if applicable, with your MONEYPLU\$ claim form for reimbursement through your MONEYPLU\$ Spending Account.

MONEYPLU\$ Grace Period

An IRS Revenue Notice permits a “**grace period**” of two months and 15 days following the end of your 2010 Plan Year (December 31, 2010) for a MONEYPLU\$ Medical Spending Account. This grace period ends on March 15, 2011. **During the grace period, you may incur expenses and submit claims for these expenses.** Claims will be processed in the order in which they are received by FBMC, and your accounts will be debited accordingly. This is true for both paper claims and myFBMC CardSM transactions. If you have funds remaining in an account from the prior plan year, these funds will be used first until exhausted. Then, subsequent claims will be debited from your new plan year account balance. After March 15, the myFBMC CardSM can only deduct money from the current Plan Year. Therefore, if you wish to submit prior year expenses during the portion of the claim run-out period from March 15 through March 31, you must use a paper claim form.

Submit your claims for the 2009 Plan Year before you begin incurring expenses in the 2010 Plan Year. Documentation for the 2010 Plan Year must be received by March 31, 2011. If you wait to submit your claims from the previous year to FBMC, they could be rejected if your account is exhausted paying claims incurred during the grace period.

You should not confuse the grace period with the plan's “**run-out period**.” The run-out period extends until March 31, 2011. This is a period for filing claims incurred anytime during the 2010 Plan Year, as well as claims incurred during the grace period mentioned above. However, this applies only to those claims paid from the prior year first.

Your Dependent Care Spending Account also has a “run-out period” that extends until March 31, 2011. The grace period mentioned above does not apply to this account. Dependent Care expenses that occur after December 31, 2010, may not be reimbursed from funds for the 2010 Plan Year.

- You may only submit a MONEYPLU\$ claim form for reimbursement through your MONEYPLU\$ Spending Account for the actual out-of-pocket expenses covered. Once FBMC receives your claim, your reimbursement request will be processed within five business days. **Medical Spending Account claims will be paid up to the amount of your yearly election. For Dependent Care Spending Accounts, checks are prepared up to the amount of your current account balance. Any excess dependent care expenses will be held in suspense and disbursed when money is available in your account.**
- You will be reimbursed for your eligible expenses through your MONEYPLU\$ Spending Account until you have exhausted your annual fund contributions or until the plan year ends.

MONEYPLU\$

What documentation of expenses do I need to keep?

The IRS **requires** MONEYPLU\$ Spending and Health Savings Account customers to maintain complete documentation, including copies of statements or bills for reimbursed expenses.

Spending Account Guidelines:

1. The IRS does not allow you to pay your medical or other insurance premiums through either type of Spending Account. Refer to the "Written Certification" portion of the Beyond Your Benefits section of this *Tax-Favored Accounts Guide* for more specifics.
2. You cannot transfer money between Spending Accounts or pay a dependent care expense from your Medical Spending Account or vice versa.
3. You have a 90-day run-out period (until March 31, 2011) at the end of the plan year for reimbursement of eligible Spending Account expenses incurred during your period of coverage within the 2010 Plan Year and applicable grace period (ending March 15, 2011). This grace period applies to a MONEYPLU\$ Medical Spending Account only.
4. You may not receive insurance benefits or any other compensation for expenses that are reimbursed through your Spending Accounts.
5. You cannot deduct reimbursed expenses for income tax purposes.
6. You may not be reimbursed for a service that you have not yet received.
7. Be conservative when estimating your medical and/or dependent care expenses for the 2010 Plan Year. IRS regulations state that any unused funds that remain in your Spending Account after a plan year and any grace period ends and all reimbursable requests have been submitted and processed cannot be returned to you or carried forward to the next plan year.

Will contributions affect my income taxes?

Salary reductions made under a cafeteria plan, including contributions to an Health Savings Account or to one or both Spending Accounts, will lower your taxable income and taxes. These reductions are one of the money-saving aspects of starting a MONEYPLU\$ Health Savings or Spending Account. Additional state income tax savings or credits may also be available. Your salary reductions will reduce earned income for purposes of the federal Earned Income Tax Credit (EITC).

To help you choose between the available taxable and tax-free benefits, or a combination of both, consult your tax adviser and/or the IRS for additional information.

What fees must I pay for MONEYPLU\$?

There is a \$3.50 administrative monthly fee for each Spending Account and a \$0.28 fee for the Pre-Tax Group Insurance Premium Feature. For example, if you choose to participate in the Medical and Dependent Care Spending Accounts, you will pay \$7 each month in administrative fees. All fees are deducted from pre-tax dollars. Bank fees for the Health Savings Account are explained on Page 10.

Get More Information

For additional information regarding MONEYPLU\$, refer to your *Insurance Benefits Guide*, which is available from your benefits administrator. You may also access MONEYPLU\$ information on the Employee Insurance Program Web site at www.eip.sc.gov.

Over-the-Counter Expenses

Your Over-the-Counter (OTC) items, medicines and drugs may be reimbursable through your MONEYPLU\$ Medical Spending Account. Save valuable tax dollars on certain categories of OTC items, medicines and drugs, such as allergy treatments, antacids, cold remedies, first-aid supplies and pain relievers. For a more comprehensive list of eligible OTC items, see Page 16 or go to www.myFBMC.com.

You may be reimbursed for OTCs through your MONEYPLU\$ Medical Spending Account if:

- the item, medicine or drug was used for a specific medical condition for you, your spouse and/or your dependent(s)
- the submitted receipt clearly states the purchase date and name of the item, medicine or drug
- the reimbursement request is for an expense allowed by your employer's MONEYPLU\$ Medical Spending Account plan and IRS regulations and
- you submit your reimbursement request in a timely and complete manner already described in your benefits enrollment information.

Note: OTC items, medicines and drugs, including bulk purchases, must be used in the same plan year in which you claim reimbursement for their cost. The list of eligible OTC categories will be updated on a quarterly basis by FBMC. It is your responsibility to remain informed of updates to this listing, which can be found at www.myFBMC.com. As soon as an OTC item, medicine or drug becomes eligible, it will be reimbursable retroactively to the start of the current plan year.

Newly eligible OTC items, medicines and drugs are not considered a valid change in status event that would allow you to change your annual MONEYPLU\$ Medical Spending Account election or salary reduction amount. Be sure to maintain sufficient documentation to submit receipts for reimbursement. You may resubmit a copy of your receipt from your records if a rejected OTC expense becomes eligible for reimbursement later in the same plan year.

Visit www.myFBMC.com for a list of frequently asked questions.

You must keep your documentation for a minimum of one year and submit it to FBMC upon request.

MONEYPLUS

A properly completed request will help speed along the process of your reimbursement, allowing you to receive your check or Direct Deposit promptly.

Requesting Reimbursement

For a Medical Spending Account:

You can use your Medical Spending Account to reimburse eligible expenses after you have sought (and exhausted) all means of reimbursement provided by your employer and any other appropriate resource. Keep in mind that some eligible expenses are reimbursable on the date available, not the date ordered.

To request reimbursement, simply fax or mail a correctly completed MONEYPLUS Claim Form, along with the following:

- an invoice or bill from your health care provider listing the date you received the service, the cost of the service, the specific type of service and the person for whom the service was provided or
- an Explanation of Benefits (EOB)* from your health insurance provider that shows the specific type of service you received, the date and cost of the service and any uninsured portion of the cost and
- a written statement from your health care provider indicating the service was medically necessary if those services could be deemed cosmetic in nature, accompanied by the invoice or bill for the service.

For a Dependent Care Spending Account:

You can request reimbursement from your Dependent Care Spending Account as often as you like. However, your approved expense will not be reimbursed until the last date of service for which you are requesting reimbursement has passed. Remember that for timely processing of your reimbursement, your payroll contributions must be current.

Requesting reimbursement from your Dependent Care Spending Account is easy. Simply fax or mail a correctly completed MONEYPLUS Claim Form, along with documentation showing the following:

- the name, age and grade of the dependent receiving the service
- the cost of the service
- the name and address of the provider and
- the beginning and ending dates of the service.

Be certain you obtain and submit the above information when requesting reimbursement from your Dependent Care Spending Account. This information is required with each request for reimbursement.

Note: Canceled checks or credit card receipts (or copies) listing the cost of eligible expenses are **not** valid documentation for either Medical or Dependent Care Spending Account reimbursement.

*EOBs are not required if your coverage is through an HMO.

Send all FSA reimbursement claims to:

Fax Toll-Free: 1-888-800-5217

Mail to: Contract Administrator
Fringe Benefits Management Company
P.O. Box 1800
Tallahassee, FL 32302-1800

Note: If you elect to participate in the Dependent Care Spending Account, or if you file for the Dependent Care Tax Credit, you must attach IRS Form 2441, reflecting the information above, to your 1040 income tax return. Failure to do this may result in the IRS denying your pre-tax exclusion.

Important FSA Notes:

- You have a **90-day run-out period** (ending March 31, 2011) after your plan year ends to submit reimbursement requests for all eligible FSA expenses incurred DURING your plan year.
- You may, however, continue using only your **Medical Spending Account** during the **grace period**, which is two months and 15 days after the end of your plan year. Be sure to submit your grace period claims before the end of your 90-day run-out period.

Appeal Process

If your request for a mid-plan-year election change, MONEYPLUS Spending Account reimbursement claim or other similar request is denied, in full or in part, you have the right to appeal the decision by sending a written request within 30 days of the denial for review to FBMC.

Your appeal must include:

- the name of your employer
- the date of the services for which your request was denied
- a copy of the denied request
- the denial letter you received
- why you think your request should not have been denied and
- any additional documents, information or comments you think may have a bearing on your appeal.

Your appeal and its supporting documentation will be reviewed. You will be notified of the results of this review within 30 business days from receipt of your appeal. In unusual cases, such as when appeals require additional documentation, the review may take longer than 30 business days. If your appeal is approved, additional processing time is required to modify your benefit elections.

Note: Appeals are approved only if the extenuating circumstances and supporting documentation are within your employer's, insurance provider's and the IRS' regulations governing the plan.

Be certain you obtain and submit all required information with each FSA reimbursement request.

MONEYPLU\$ Health Savings Account

What is a Health Savings Account?

Providing economical health care in the face of rising costs is a major issue facing the nation. In 2005, as part of an effort to meet this challenge, the Employee Insurance Program (EIP) began offering a State Health Plan Savings Plan coupled with a Health Savings Account (HSA). This option enables subscribers who are willing to take greater responsibility for their medical care expenses the opportunity to reduce their insurance premiums and save money for major medical expenses.

A Health Savings Account (HSA) is a tax-free account that can be used to pay health care expenses. Unlike money in a MONEYPLU\$ Medical Spending Account, the funds do not have to be spent in the plan year they are deposited. Money in the account, including interest, accumulates tax-free, so the funds can be used to pay qualified medical expenses in the future.¹ An important advantage of an HSA is that it is owned by the employee. If you leave your job, you can take the account with you and continue to use it for qualified medical expenses.

Who is eligible to contribute to a MONEYPLU\$ HSA?

- Employees must be covered by the State Health Plan Savings Plan, which is a high deductible health plan.
- Employees cannot be covered by any other type of health plan, including Medicare. However, they may be covered for specific injuries, accidents, disability, dental care, vision care and long-term care.
- Participants cannot be claimed as a dependent on another person's tax return.

How much may I contribute to my HSA?

If you enroll in the MONEYPLU\$ HSA your contributions are deducted before taxes. For 2010, a subscriber with single coverage can contribute up to \$3,050 a year to an HSA. Those covering more than one family member could contribute up to \$6,150 a year. These limits, established by the federal government and subject to change, are tied to the rate of inflation.

You can now enroll in an HSA during the year and make the full annual contribution, provided you are participating in the State Health Plan Savings Plan on or before December 1. The *Tax Relief and Health Care Act of 2006* allows contributions to be made up to the contribution maximum for individuals who become eligible for an HSA mid-year, so long as they continue to be an eligible individual for 12 months, beginning with the last month in the year in which the individual became an eligible individual. A subscriber age 55 and older may make "catch-up" contributions to an HSA. In 2010, that subscriber can contribute \$1,000 above the limit.

As of January 1, 2007, HSA account holders can make a one-time, tax-free distribution from their Roth and/or Traditional IRA for the purpose of making a regular HSA contribution. The provision applies to rollovers from an HRA or FSA through 2011. Certain restrictions apply.² You may also make after-tax contributions, which apply toward the maximum annual limit(s). You will receive additional information when you enroll.

How may I change my HSA contribution?

You may change the amount you contribute to your MONEYPLU\$ HSA once per month. To change your HSA contribution, contact your benefits administrator.

How do I get funds out of my HSA?

After enrolling in the HSA and completing the required Bank Signature Card form³, your contributions will be sent to the custodian, The National Bank of South Carolina (NBSC), a Synovus Bank. NBSC will establish an individual account for you and mail up to two VISA® Check Cards to your home address at no charge. You may order additional cards or a starter supply of checks by contacting NBSC at **1-877-367-4HSA** (4472). You may use the Check Cards or checks to get funds out of your HSA. If you choose to use your Check Card, you will need to sign for the transaction like a credit card transaction. Remember, as long as you are taking funds out for qualified medical expenses, you pay no taxes on the funds. However, if you withdraw funds for ineligible expenses, you may have to pay taxes and penalties on those funds, unless you reimburse your HSA for the ineligible amount.

Will I be charged any banking or custodian fees?

Yes, there is \$1 monthly fee or \$10 annual fee. NBSC will charge \$1 per month to your HSA. If you prefer to pay a \$10 annual fee, instead, you may contact NBSC within 60 days of account opening. This fee includes the VISA® debit card, all transaction fees associated with the card, a supply of checks, monthly statements and other banking services. There is a \$0.35 charge to process each check you write to get funds from your HSA. NBSC will deduct these fees automatically from your HSA. Other fees may apply, including fees for insufficient funds. Refer to your HSA Disclosure Statement for more information. FBMC will also charge a monthly \$1 administrative fee which will be deducted from your paycheck.

How are my HSA funds invested?

Your funds will initially be held in an interest-bearing checking account at NBSC. The bank can provide you with current interest rates for HSAs since these rates are subject to change.

As your account balance grows, you may be eligible to place your funds into the HSA Investment Option. Once your balance reaches \$3,500 or more, NBSC will communicate the investment opportunities available to you through their broker, Synovus Securities, Inc. (SSI).⁴

¹ Please consult your tax advisor or IRS Publication 502 with questions regarding these expenses, qualified health plans, and tax information.

² Please consult a tax advisor for eligibility concerning contributions.

³ A Bank Signature Card form MUST be completed to open a Health Savings Account. The Bank Signature Card is only available online, through EIP's Web site at "Open HSA Bank Account."

⁴ The registered broker-dealer offering brokerage products for Synovus is Synovus Securities, Inc., Member FINRA/SIPC. Investment products and services are **not FDIC insured, are not deposits of or obligations of any Synovus Financial Corp. (SFC) bank, are not guaranteed by any SFC bank and involve investment risk, including possible loss of principal amount invested.** Your bank and Synovus Securities, Inc. are members of the Synovus family of companies.

MONEYPLU\$ Health Savings Account

Are there any special tax forms or tax reporting that I must complete when filing my income taxes?

After the end of the tax year, NBSC will send you tax filing information for reporting your contributions and any withdrawals or distributions from your HSA. **It is important that you save receipts, invoices and any explanations of benefits received from your health insurance carrier as documentation in case you are ever asked to show proof of qualified medical expenses to the IRS.**

Remember, MONEYPLU\$ limited-use Medical Spending Accounts are available only to HSA participants. Dependent Care Spending Account eligibility is not affected by your HSA participation.

What if I exceed the annual contribution limits established by the IRS?

FBMC will monitor your HSA contributions and send an alert to your benefits administrator and advise that you are exceeding your contribution limits. You may decrease or stop your contributions accordingly, but the best way to ensure that you do not exceed the annual contribution limits is to elect a per-pay-period contribution that ensures you will not exceed the annual limits. Of course, you can add the “catch-up” contribution amount to these annual limits if you are age 55 or older. The catch-up contribution for 2010 is \$1,000.

May I have a MONEYPLU\$ HSA and a Spending Account?

Yes, subscribers may enroll in a MONEYPLU\$ limited-use Medical Spending Account to pay certain eligible expenses. The limited-use Medical Spending Account may be used to pay dental and vision expenses not covered by the Savings Plan. MONEYPLU\$ Dependent Care Spending Account eligibility is not affected by your HSA participation. Additional information is available on Page 15.

Flyers will be available with your enrollment information. Contact FBMC at 1-800-342-8017 for more information.

Pre-Tax Group Insurance Premium Feature

Pre-Tax Group Insurance Premium Feature

With this feature, you can pay your State Health Plan, HMO, State Dental Plan, Dental Plus, State Vision and Optional Life (for coverage up to \$50,000) premiums before taxes are taken out of your paycheck. With this feature, you do not have to pay taxes on the dollars you use to pay these premiums. You are enrolled automatically in this feature on the Notice of Election if you pay a health, dental, Dental Plus, vision or Optional Life premium, unless you decline. There are special enrollment procedures if you want to participate in the spending accounts. Contact your benefits administrator for details.

If you declined the Pre-Tax Group Insurance Premium Feature in the past, you can enroll during the announced enrollment period for an effective date of January 1 of the following year. The monthly administrative fee for deducting medical, dental, vision and Optional Life premiums before taxes is \$0.28, which is deducted from your paycheck before taxes are deducted.

Optional Life Insurance Premiums

You can pay your Optional Life insurance premiums before you pay taxes. Your entire Optional Life insurance premium will be deducted from your check before taxes. However, only premiums for coverage up to \$50,000 will be exempt from tax. Premiums paid for additional coverage amounts (more than the IRS-allowed maximum of \$50,000) will be added back to your earnings on your W-2 form at the end of the year.

MONEYPLU\$ Medical Spending Account

What is a MONEYPLU\$ Medical Spending Account?

A MONEYPLU\$ Medical Spending Account is an IRS tax-favored account you can use to pay for your eligible medical expenses not covered by your insurance or any other plan. These funds are set aside from your salary before taxes are deducted, allowing you to pay your eligible expenses tax-free. A partial list of these eligible expenses can be found on the next page.

Whose expenses are eligible?

Your MONEYPLU\$ Medical Spending Account may be used to reimburse eligible expenses incurred by:

- you
- your spouse
- your qualifying child or
- your qualifying relative.

An individual is a **qualifying child** if he or she is not someone else's qualifying child and:

- is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- has a specified family-type relationship to you
- lives in your household for more than half of the tax year
- is 18 years old or younger (23 years, if a full-time student) at the end of the tax year and
- has not provided more than one-half of his or her own support during the tax year.

An individual is a **qualifying relative** if he or she is a U.S. citizen, national or a resident of the U.S., Mexico or Canada and:

- has a specified family-type relationship to you, is not someone else's qualifying child and receives more than one-half of his or her support from you during the tax year or
- if no specified family-type relationship to you exists, is a member of and lives in your household (without violating local law) for the entire tax year and receives more than one-half of his or her support from you during the tax year.

There is no age requirement for a qualifying child if he or she is physically and/or mentally incapable of self-care. An eligible child of divorced parents is treated as a dependent of both, so either or both parents can have a MONEYPLU\$ Medical Spending Account.

Can travel expenses for medical care be reimbursed?

Travel expenses primarily for, and essential to, receiving medical care, including health care provider and pharmacy visits, may be reimbursable through your MONEYPLU\$ Medical Spending Account. With proper substantiation, eligible expenses can include:

- actual round-trip mileage
- parking fees
- tolls and
- transportation to another city.

Are prescriptions eligible for reimbursement?

Yes, most filled prescriptions are eligible for MONEYPLU\$ Medical Spending Account reimbursement as long as you properly substantiate the expense. The IRS requires the complete name of all medicines and drugs be obtained and documented on pharmacy invoices (including prescription number, date(s) of service and total dollar amount). This information must be included when submitting your request to FBMC for reimbursement. Proper submission of the reimbursement request is needed to ensure that the drug is eligible for reimbursement.

Over-the-Counter Expenses

Your Over-the-Counter (OTC) items, medicines and drugs may be reimbursable through your MONEYPLU\$ Medical Spending Account. Save valuable tax dollars on certain categories of OTC items, medicines and drugs, such as: allergy treatments, antacids, cold remedies, first-aid supplies and pain relievers. For a more comprehensive list of eligible OTC items, please visit www.myFBMC.com.

You may be reimbursed for OTCs through your MONEYPLU\$ Medical Spending Account if:

- the item, medicine or drug was used for a specific medical condition for you, your spouse and/or your dependent(s)
- the submitted receipt clearly states the purchase date and name of the item, medicine or drug
- the reimbursement request is for an expense allowed by your employer's MONEYPLU\$ Medical Spending Account plan and IRS regulations and
- you submit your reimbursement request in a timely and complete manner already described in your benefits enrollment information.

Note: OTC items, medicines and drugs, including bulk purchases, must be used in the same plan year in which you claim reimbursement for their cost. The list of eligible OTC categories will be updated on a quarterly basis by FBMC. It is your responsibility to remain informed of updates to this listing, which can be found at www.myFBMC.com. As soon as an OTC item, medicine or drug becomes eligible, it will be reimbursable retroactively to the start of that plan year.

Newly eligible OTC items, medicines and drugs are not considered a valid change in status event that would allow you to change your annual MONEYPLU\$ Medical Spending Account election or salary reduction amount. Be sure to maintain sufficient documentation to submit receipts for reimbursement. You may resubmit a copy of your receipt from your records if a rejected OTC expense becomes eligible for reimbursement later in the same plan year.

For more information, please refer to IRS Publication 502, or visit www.myFBMC.com.

MONEYPLU\$ Medical Spending Account

Is orthodontic treatment reimbursable?

Orthodontic treatment designed to treat a specific medical condition is reimbursable through your MONEYPLU\$ Medical Spending Account if the proper documentation is provided:

- a written statement, bill or invoice from the treating dentist/orthodontist showing the type and date the service was incurred, the name of the eligible individual receiving the service, the cost for the service and
- a copy of the patient's contract with the dentist/orthodontist for the orthodontia treatment (only required if a participant requests reimbursement for the total program cost spread over a period of time).

Reimbursement of the full or initial payment amount may only occur during the plan year in which the braces are first installed. For reimbursement options available under your employer's plan, including care that extends beyond one or more plan years, refer to the information provided following your enrollment, or call FBMC Customer Care at 1-800-342-8017.

When are my funds available?

Once you sign up for a MONEYPLU\$ Medical Spending Account and decide how much to contribute, the maximum annual amount of reimbursement for eligible health care expenses will be available throughout your period of coverage.

Since you don't have to wait for the cash to accumulate in your account, you can use it to pay for your eligible health care expenses at the start of your deductions.

Should I claim my expenses on IRS Form 1040?

With a MONEYPLU\$ Medical Spending Account, the money you set aside for health care expenses is deducted from your salary before taxes. It is always tax free, regardless of the amount. By enrolling in a MONEYPLU\$ Medical Spending Account, you guarantee your savings.

Itemizing your health care expenses on your IRS Form 1040 may give you a different tax advantage, depending on their percentage of your adjusted gross income. You should consult a tax professional to determine which option is right for you.

Are some expenses ineligible?

Expenses not eligible for reimbursement through your MONEYPLU\$ Medical Spending Account include:

- insurance premiums
- vision warranties and service contracts and
- cosmetic surgery not deemed medically necessary to alleviate, mitigate or prevent a medical condition.

When do I request reimbursement?

You may use your MONEYPLU\$ Medical Spending Account to reimburse eligible expenses after you have sought (and exhausted) all means of reimbursement provided by your employer and any other appropriate resource. Also keep in mind that some eligible expenses are reimbursable on the date provided or filled (such as a mail-order prescription), not the date ordered.

How do I request reimbursement?

Requesting reimbursement from your MONEYPLU\$ Medical Spending Account is easy. Simply mail or fax a correctly completed Claim Form along with the following:

- an invoice or bill from your health care provider that shows the date you received the service, the cost of the service, the specific type of service and the person for whom the service was provided or
- an Explanation of Benefits (EOB)* from your health insurance provider that shows the specific type of service you received, the date and cost of the service and any uninsured portion of the cost and
- a written statement from your health care provider indicating the service was medically necessary if those services could be deemed cosmetic in nature, accompanied by the invoice or bill for the service.

Please note that canceled checks or credit card receipts (or copies) listing the cost of eligible expenses are **not** valid documentation for MONEYPLU\$ Medical Spending Account reimbursement.

Limited-Use Medical Spending Account

May I have a MONEYPLU\$ Spending Account and a Health Savings Account?

Yes, MONEYPLU\$ HSA subscribers may enroll in a MONEYPLU\$ limited-use Medical Spending Account to pay certain eligible expenses. **The limited-use Medical Spending Account may be used to pay expenses not covered by the SHP Savings Plan, including dental and vision care expenses.** Except for the restriction on what kinds of expenses are reimbursable, a MONEYPLU\$ limited-use Medical Spending Account works the same as a MONEYPLU\$ Medical Spending Account.

Since you can pay for your out-of-pocket medical expenses with your MONEYPLU\$ HSA, some MONEYPLU\$ Medical Spending Account features are not available with a MONEYPLU\$ limited-use Medical Spending Account, including:

- no reimbursement of out-of-pocket medical expenses, such as deductibles, coinsurance and co-payments
- no reimbursement for Over-the-Counter items and
- no myFBMC CardSM reimbursement option.

Remember, MONEYPLU\$ limited-use Medical Spending Accounts are available only to HSA participants. Dependent Care Spending Account eligibility is not affected by your HSA participation.

MONEYPLU\$ Dependent Care Spending Account

What is a MONEYPLU\$ Dependent Care Spending Account?

A MONEYPLU\$ Dependent Care Spending Account is an IRS tax-favored account you can use to pay for your eligible dependent care expenses to ensure your dependents (child or elder) are taken care of while you and your spouse (if married) are working outside of the home. These funds are set aside from your salary before taxes are deducted, allowing you to pay your eligible expenses tax-free. A partial list of these eligible expenses can be found on the following page.

Whose expenses are eligible?

You may use your MONEYPLU\$ Dependent Care Spending Account to receive reimbursement for eligible dependent care expenses for qualifying individuals.

A qualifying individual includes a **qualifying child**, if he or she:

- is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- has a specified family-type relationship to you
- lives in your household for more than half of the tax year
- is 12 years old or younger and
- has not provided more than one-half of his or her own support during the tax year.

A qualifying individual includes your **spouse**, if he or she:

- is physically and/or mentally incapable of self-care
- lives in your household for more than half of the tax year and
- spends at least eight hours per day in your home.

A qualifying individual includes your **qualifying relative**, if he or she:

- is a U.S. citizen, national or a resident of the U.S., Mexico or Canada
- is physically and/or mentally incapable of self-care
- is not someone else's qualifying child
- lives in your household for more than half of the tax year
- spends at least eight hours per day in your home and
- receives more than one-half of his or her support from you during the tax year.

Note: Only the custodial parent of divorced or legally separated parents can be reimbursed using the MONEYPLU\$ Dependent Care Spending Account.

What is my maximum annual deposit?

- If you are married and filing separately, your maximum annual deposit is \$2,500.
- If you are single and head of household, your maximum annual deposit is \$5,000.
- If you are married and filing jointly, your maximum annual deposit is \$5,000.
- If either you or your spouse earn less than \$5,000 a year, your maximum annual deposit is equal to the lower of the two incomes.
- If your spouse is a full-time student or incapable of self-care, your maximum annual deposit is \$3,000 a year for one dependent and \$5,000 a year for two or more dependents.

When are my funds available?

Once you sign up for a MONEYPLU\$ Dependent Care Spending Account and decide how much to contribute, the funds available to you depend on the actual funds in your account. Unlike a Medical Spending Account, the entire maximum annual amount is not available during the plan year, but rather after your payroll deductions are received.

Should I claim tax credits or exclusions?

Since money set aside in your MONEYPLU\$ Dependent Care Spending Account is always tax-free, you guarantee savings by paying your eligible expenses through your IRS tax-favored account. Depending on the amount of income taxes you are required to pay, participation in a MONEYPLU\$ Dependent Care Spending Account may produce a greater tax benefit than claiming tax credits or exclusions alone.

Remember, you cannot use the dependent care tax credit if you are married and filing separately. Also, any dependent care expenses reimbursed through your MONEYPLU\$ Dependent Care Spending Account cannot be filed for the dependent care tax credit, and vice versa.

To help you choose between the available taxable and tax-free benefits, or a combination of both, consult your tax adviser and/or the IRS for additional information. You may also visit **www.myFBMC.com** to complete a Tax Savings Analysis.

Are some expenses ineligible?

Expenses not eligible for reimbursement through your MONEYPLU\$ Dependent Care Spending Account include:

- books and supplies
- child support payments or child care if you are a non-custodial parent
- health care or educational tuition costs and
- services provided by your dependent, your spouse's dependent or your child who is under age 19.

Will I need to keep any additional documentation?

To claim the income exclusion for dependent care expenses on IRS Form 2441 (Child and Dependent Care Expenses), you must be able to identify your dependent care provider. If your dependent care is provided by an individual, you will need his or her Social Security Number for identification, unless he or she is a resident or non-resident alien who does not have a Social Security Number. If your dependent care is provided by an establishment, you will need its Taxpayer Identification Number.

If you are unable to obtain a dependent care provider's information, you must compose a written statement that explains the circumstances and states that you made a serious and earnest effort to get the information. This statement must accompany your IRS Form 2441.

MONEYPLU\$ Dependent Care Spending Account

When do I request reimbursement?

You can request reimbursement from your MONEYPLU\$ Dependent Care Spending Account as often as you like. However, your approved expense will not be reimbursed until the last date of service for which you are requesting reimbursement has passed. Also, to process your reimbursement, you must have funds in your account.

How do I request reimbursement?

Requesting reimbursement from your MONEYPLU\$ Dependent Care Spending Account is easy. Simply mail or fax a correctly completed MONEYPLU\$ Claim Form along with documentation showing the following:

- the name, age and grade of the dependent receiving the service
- the cost of the service
- the name and address of the provider (including SSN or Tax Identification Number) and
- the beginning and ending dates of the service.

Be certain you obtain and submit the above information when requesting reimbursement from your MONEYPLU\$ Dependent Care Spending Account. This information is required with each request for reimbursement. Canceled checks or credit card receipts (or copies) listing the cost of eligible expenses are **not** valid documentation for MONEYPLU\$ Dependent Care Spending Account reimbursement.

Note: If you elect to participate in the MONEYPLU\$ Dependent Care Spending Account, or if you file for the Dependent Care Tax Credit, you must attach IRS Form 2441, reflecting the information above, to your 1040 income tax return. Failure to do this may result in the IRS denying your pre-tax exclusion.

Be certain you obtain and submit all needed information when requesting reimbursement from your Dependent Care Account. This information is required with each request for reimbursement.

A properly completed request will help speed up your reimbursement, allowing you to receive your check or Direct Deposit promptly.

MONEYPLU\$ Worksheets

To figure out how much to deposit in your MONEYPLU\$ accounts, refer to the following worksheets. Calculate the amount you expect to pay during the plan year for eligible, uninsured out-of-pocket medical and/or dependent care expenses. This calculated amount cannot exceed established IRS and plan limits. For a Medical Spending Account there is no minimum and a \$5,000 maximum. For a Dependent Care Spending Account there is no minimum, and the maximum depends on your tax filing status. If you are married and filing separately, your maximum annual deposit is \$2,500. If you are single and head of household, your maximum annual deposit is \$5,000. If you are married and filing jointly, your maximum annual deposit is \$5,000. If either you or your spouse earn less than \$5,000 a year, your maximum annual deposit is equal to the lower of the two incomes. If your spouse is a full-time student or incapable of self-care, your maximum annual deposit is \$3,000 a year for one dependent and \$5,000 a year for two or more dependents.

Be conservative in your estimates, since any money remaining in your accounts cannot be returned to you or carried forward to the next plan year.

Changing Your Coverage

Changing your Spending Account during the Plan Year

Within **31 days** of a qualifying event, you must submit a Change in Status/Election Form and supporting documentation to your employer. Upon the approval of your election change request, your existing Spending Account(s) elections will be stopped or modified (as appropriate). However, if your FSA election change request is denied, you will have **30 days**, from the date you receive the denial, to file an appeal with your employer. For more information, refer to the "Appeal Process" section on Page 9. Visit www.myFBMC.com for information on rules governing periods of coverage and IRS Special Consistency Rules.

Changes in Status:

Marital Status	A change in marital status includes marriage, death of a spouse, divorce or annulment (if recognized by state law).
Change in Number of Tax Dependents	A change in number of dependents includes the following: birth, death, adoption and placement for adoption. You can add existing dependents not previously enrolled whenever a dependent gains eligibility as a result of a valid Change in Status event.
Change in Status of Employment Affecting Coverage Eligibility	Change in employment status of the employee, or a spouse or dependent of the employee, that affects the individual's eligibility under an employer's plan includes commencement or termination of employment.
Gain or Loss of Dependents' Eligibility Status	An event that causes an employee's dependent to satisfy or cease to satisfy coverage requirements under an employer's plan may include change in age, student, marital, employment or tax dependent status.
Change in Residence*	A change in the place of residence of the employee, spouse or dependent that affects eligibility to be covered under an employer's plan includes moving out of an HMO service area.

Some Other Permitted Changes:

Coverage and Cost Changes*	Your employer's plans may permit election changes due to cost or coverage changes. You may make a corresponding election change to your Dependent Care Spending Account benefit whenever you actually switch dependent care providers. However, if a relative (who is related by blood or marriage) provides custodial care for your eligible dependent, you cannot change your salary reduction amount solely on a desire to increase or decrease the amount being paid to that relative.
Open Enrollment Under Other Employer's Plan*	You may make an election change when your spouse or dependent makes an Open Enrollment Change in coverage under their employer's plan if they participate in their employer's plan and: <ul style="list-style-type: none">• the other employer's plan has a different period of coverage (usually a plan year) or• the other employer's plan permits mid-plan year election changes under this event.
Judgment/Decree/Order†	If a judgment, decree or order from a divorce, legal separation (if recognized by state law), annulment or change in legal custody requires that you provide accident or health coverage for your dependent child (including a foster child who is your dependent), you may change your election to provide coverage for the dependent child. If the order requires that another individual (including your spouse and former spouse) covers the dependent child and provides coverage under that individual's plan, you may change your election to revoke coverage only for that dependent child and only if the other individual actually provides the coverage.
Medicare/Medicaid†	Gain or loss of Medicare/Medicaid coverage may trigger a permitted election change.
Health Insurance Portability and Accountability Act of 1996 (HIPAA)	If your employer's group health plan(s) are subject to HIPAA's special enrollment provision, the IRS regulations regarding HIPAA's special enrollment rights provide that an IRC § 125 cafeteria plan may permit you to change a salary reduction election to pay for the extra cost for group health coverage, on a pre-tax basis, effective retroactive to the date of the Change in Status event, if you enroll your new dependent within 30 days of one of the following Change in Status events: birth, adoption or placement for adoption. Note that a Medical Spending Account is not subject to HIPAA's special enrollment provisions if it is funded solely by employee contributions.
Family and Medical Leave Act (FMLA) Leave of Absence	Election changes may be made under the special rules relating to changes in elections by employees taking FMLA leave. Contact your employer for additional information.

COBRA Q & A

What is continuation coverage?

Federal law requires that most group health plans, including Medical Flexible Spending Accounts (Medical Spending Accounts), give employees and their families the opportunity to continue their health care coverage when there is a “qualifying event” that would result in a loss of coverage under an employer’s plan.

How long will continuation coverage last?

For Medical Spending Accounts:

If you fund your Medical Spending Account entirely, you may continue your Medical Spending Account (on a post-tax basis) only for the remainder of the plan year in which your qualifying event occurs, **if** you have not already received, as reimbursement, the maximum benefit available under the Medical Spending Account for the year. For example, if you elected a Medical Spending Account benefit of \$1,000 for the plan year and have received only \$200 in reimbursement, you may continue your Medical Spending Account for the remainder of the plan year or until such time that you receive the maximum Medical Spending Account benefit of \$1,000.

If your employer funds all or any portion of your Medical Spending Account, you may be eligible to continue your Medical Spending Account beyond the plan year in which your qualifying event occurs and you may have open enrollment rights at the next open enrollment period. There are special continuation rules for employer-funded Medical Spending Accounts. If you have questions about your employer-funded Medical Spending Account, you should call Fringe Benefits Management Company (FBMC) at 1-800-342-8017.

For More Information

This *COBRA Q&A* section does not fully describe continuation coverage or other rights under the Plan. More information about continuation coverage and your rights under the Plan is available from your employer. You can get a copy of your summary plan description from the **State of South Carolina**.

For more information about your COBRA rights, the Health Insurance Portability and Accountability Act (HIPAA) and other laws affecting group health plans, contact the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit the EBSA Web site at **www.dol.gov/ebsa**.

Keep Your Address Updated

In order to protect your family’s rights, you should keep your employer and FBMC informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to your employer and FBMC.

Beyond Your Benefits

Notice of Administrator's Capacity

This notice advises Flexible Spending Account participants of the identity and relationship between your employer and its Contract Administrator, Fringe Benefits Management Company (FBMC). FBMC is not an insurance company. FBMC has been authorized by your employer to provide administrative services for the Flexible Spending Account plans offered herein. FBMC will process claims for reimbursement promptly. In the event there are delays in claims processing, you will have no greater rights in interest or other remedies against FBMC than would otherwise be afforded to you by law.

Social Security

Social Security consists of two tax components: the FICA or OASDI component (the tax for old-age, survivors' and disability insurance) and the Medicare component. A separate maximum wage to which the tax is assessed applies to both tax components. There is no maximum taxable annual wage for Medicare. The maximum taxable annual wage for FICA is subject to federal regulatory change. If your annual salary after salary reduction is below the maximum wage cap for FICA, you are reducing the amount of taxes you pay and your Social Security benefits may be reduced at retirement time.

However, the tax savings realized through the Flexible Benefits Plan generally outweigh the Social Security reduction. Call FBMC Customer Care at 1-800-342-8017 for an approximation.
